

# HANOVER CONSERVANCY

*Protecting land & water in our community*

The Hanover Conservancy - the oldest local land trust in New Hampshire - will celebrate its 60th anniversary in 2021! As we prepare for our next 5 years, we want your thoughts and ideas on how we can contribute most effectively to the quality of life in our community.

The survey should take about 10 minutes to complete. Your answers will be kept confidential. If you provide your contact information at the end, **you will be entered into a drawing to win a basket of goods and services from Hanover businesses worth at least \$150.** This will not affect the confidentiality of your responses.

Thank you for your help!
