

Hanover Open Space Priorities Plan Update Spring Meetings

What is Hanover's most scenic spot?

Join the discussion and share which scenic qualities and Hanover places matter most to you!

Thursday, March 21, 7 PM
Trumbull Hall, Etna, NH

Recreational and cultural resources

Learn about the Appalachian Trail Conservancy's new Wild East project. Then share how Hanover's open space system could enhance your favorite recreational activities and outdoor cultural resources.

Thursday, April 4, 7 PM
Trumbull Hall, Etna

WILD EAST APPALACHIAN TRAIL

ATC's guest speakers: Matt Stevens and Katie Mann

Guest speaker: David Patrick,
Director of Conservation Programs
at The Nature Conservancy

Climate change resiliency and open space lands

Learn about the importance of open space and natural resources in planning for climate resilience, and then share your thoughts on how local open spaces could contribute to a more stable future.

Thursday, April 25 at 7 PM
Howe Library, 13 South Street, Hanover

Sponsored by the Hanover Conservation Commission
