Dear Valued Customer,

We are happy to share with you an exciting enhancement to your recycling service. At some point between September 14-19, you will be receiving a 96-gallon wheeled recycling cart, at no additional charge, to use in place of your current recycling container(s). This new cart will make it easier to bring your recyclables to the curb on your service day.

In order to better serve you, there may be a change to the week that your recycling is collected, however, **your collection day of the week WILL NOT change**. Please reference the calendar on the back of this letter to see which week your recycling service will occur beginning the week of **September 28**. The service week is highlighted in **blue**.

Recycle Better™

Toss only acceptable Zero-Sort® recyclables into your bin to ensure service. Recyclables that are contaminated with trash cannot be recycled and end up in the landfill. Also, on the reverse of this letter, you'll find a complete list of acceptable and unacceptable materials to display near your bin. Please visit **casella.com/RecycleBetter** for more information.

Please note this important change: Glass will **NO LONGER** be collected in your Zero-Sort® recycling bin. To recycle your glass, please bring it to the **City of Lebanon Recycling Center** open Monday-Friday from 8:30 AM - 5:00 PM and Saturday from 8:30 AM - 2:00 PM.

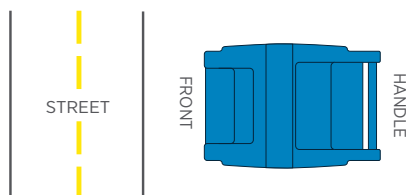

Below you'll find a curbside container placement guide with tips for placing your wheeled recycling cart at the curb. New 2021 and updated 2020 calendars are available for pick up at the Hanover Town Office. It's our mission to make recycling simple for Hanover residents. If you have any questions or need additional information, please call us at **802-295-2660**.

Sincerely,

Jim Toher
General Manager
