## Road Closures Sargent Street

We will be completing installation of new water road crossings on Sargent Street on Friday June 13<sup>th</sup> and Monday June 16<sup>th</sup> 7am-7pm. The new main crosses the roadway in a few locations as outlined below and traffic will not be able to enter or exit during long durations of this work and the Roadway will be closed.

We recommend, if you need to leave throughout the day to park elsewhere while this work is underway.

The Town will provide parking passes if requested at the Town Lot on Maple Street. If you wish to request a parking pass, please contact Michael Schibuola or Christopher Swain 603-640-3220.
