

## **Reclaiming (Grinding) Pavement- Expect Delays and No Street Parking (area 4 and area 1 phase 2)**

On Monday July 14<sup>th</sup> and Tuesday July 15<sup>th</sup>, the Town's contractor will be grinding the pavement as part of the water project on the following Streets.:

River Ridge Road, Weatherby Rd. and Read Road, then will move onto Hovey Lane and Buell Street and a small portion of Dorrance.

We ask that there is no parking along the streets and there will be times when you may not access your driveway for a very short time as the grinder passes your driveway until it is bankrolled.

Expect minor house vibrations when compacting the reclaimed (ground) material.

The Town will provide parking passes if requested at the Town Lot on Maple Street. If you wish to request a parking pass, please contact Michael Schibuola or Christopher Swain 603-640-3220.

For project information please visit the Town of Hanover Website [Hanovernh.org](http://Hanovernh.org).
