1. Site Visit for 30 Lyme Road, North End Housing, Dartmouth College:

Edward Lewis introduced himself and shared an overview of site walk he and Patrick O'Hern would lead during the site visit. Mr. Lewis walked through the site highlighting each point flagged by stakes with different colors.

Stops were made at north and south ends of proposed building 1, the maintenance shed, east and west ends of proposed parking, Building 3, then building 2, concluding at a stormwater feature on the southern end of the proposal.

Sim asked about a comment made regarding heights of the buildings, and potential balloon or tower for height demonstration. Robert Houseman responded that future demonstrations will be illustrated with the application for Zoning Board of Adjustment and Planning Board Final review.

A question was asked about the routing of stormwater, Robert Houseman responded explaining the network of drainage.

2. Adjourn

Edwards called for a motion to adjourn at 12:38 PM. Sim made the motion to adjourn. Carter seconded the motion. **The motion passed unanimously.**
