Notes:

1. Delays in Traffic will occur between 7 am and 7 pm Monday to Friday during our work hours. Greatest impact will be during water main installation on individual streets outlined above as well as service installations that cross the roadway and during paving operations.
2. Please note Driveways will be blocked for access when work occurring directly in front of individual properties. We will communicate as this occurs throughout the work, however please plan accordingly as we approach your property.
3. The schedule is subject to change if we are ahead of schedule or running behind on schedule. This schedule will be updated bi-weekly as the project progresses.
4. No parking will be allowed on the streets during the hours of construction.
